## About Magic

Magic Software Enterprises Ltd. is a global provider of enterprise-grade application development and business process integration software solutions as well as a broad range of integration and IT professional services.

Magic's software solutions are used by thousands of enterprises, ISVs and implementation partners to develop, deploy and integrate on-premise, mobile and cloud-based business applications. By enabling enterprises to leverage existing IT systems and get to market quickly with new applications, Magic customers can dramatically improve operational efficiency and innovation with a high return on investment. Magic's integration and IT project management and staffing augmentation services enable enterprises to implement all types of IT projects, from complex to simple, quickly and efficiently.

Magic solutions are backed by 30 years of experience, millions of installations, and strategic alliances with global mobile and IT leaders, including Samsung, IBM, Microsoft, Oracle, Salesforce.com, Sage, SugarCRM, SYSPRO and SAP. With a presence in more than 50 countries, including 24 regional offices, we collaborate closely with our customers and thousands of business partners to accelerate their business performance.
